

# ANNUAL REPORT

## 2018 - 2019

“ I love that this scholarship is available to us. I knew I wanted to go back to school and I knew it would be for early childhood, but I wasn't sure how I was going to afford it. T.E.A.C.H. made it possible for me to better myself and my classroom by helping me earn my degree. I'm so thankful for T.E.A.C.H. and the opportunity it gave this mom to show her daughter that if you set out to reach a goal, it is achievable with the right support. ”

- Nicole Doig  
 T.E.A.C.H. Recipient

### RECIPIENT STATS

- Wages increased an average of 17% for associate degrees, and 14% for bachelor's degrees
