

ANNUAL REPORT

2020 - 2021

“T.E.A.C.H. has provided me with the opportunity to get a college degree. With that degree came the confidence to continue providing family child care and education to the best of my ability and positively impacting children and families in my community. As a certified early childhood trainer, T.E.A.C.H. has provided me with the ability to share my knowledge with other early childhood educators in my community.”
