

## LEGISLATIVE UPDATE | May 2, 2023

Welcome to the latest Child Care Aware Legislative update. This narrative update, along with our Bill Tracker, will be posted each Tuesday (reflecting activity through the previous Friday) on the [Child Care Aware of Minnesota Website](#).

Each week we will provide action that has been taken at the committee level or on the floor, a brief overview of bills that have been introduced, and any other pertinent news related to early care and education and school-age care issues. If you have additions to recommend to the bill tracker, please contact [Ann McCully](#).

### OVERVIEW

The focus last week was on passing the final omnibus bills off the House and Senate floors and appointing conference committee members to work out the differences between the House and Senate versions of these bills. This week, the focus turns to conference committee meetings.
